Sur., ACRES 13.815 and S3574 - Durham Park Sec 2, BLOCK L, Lot 12, ACRES 2.41 is provided through membership in Durham Park Water Supply Corporation. The lot S3574 - Durham Park Sec 2, BLOCK L, Lot 12, ACRES 2.41 is within the bounds of the water supply companies CCN. This lot is only able to have 1 residential connection which the DPWSC currently provides and will continue to provide upon application and payment of applicable fees by any subsequent owners. If at some point in the future an owner wishes to subdivide the larger lot described as AW0250 AW0250 - Gray, T.f. Sur., ACRES 13.815 the water supply company could evaluate that possibility. The owners wishing to divide would have to go through the normal nonstandard service agreement application process, board approval and payment of any applicable fees at that time.
